Quotes from the History of Rotary

"Rotary believes that the citizen who best serves his country is the one who wishes to know the truth about his neighbors, and who desires to replace hatred between nations with friendship."

Address to 1939 Rotary Convention, Cleveland, Ohio, USA
George C. Hager (law), Rotary Club of Chicago, Illinois, USA.

Becky MacKenzie

Executive Director
Rotary's Camp Florida

It was February 16, 2009. Becky MacKenzie's "Day of Life". That was the day she was told she had Medullary Thyroid Cancer Type MEN2A.

Her journey started in 2008. Becky started to become very sick. She experienced multiple infections. Acting as a strong advocate for herself, and searching for a cause for

her illness, Becky engaged and discharged seven physicians. Finally, a family physician in Port Charlotte referred her to Moffit Cancer Center in Tampa.

The physicians at Moffit diagnosed her condition - Metastatic Medullary Thyroid cancer as a result of a genetic disorder called Multiple Endocrine Neoplasia Type 2A.

Becky is a strong advocate for herself and for others with cancer. She is active in the American Cancer Society and their sister organization, the American Cancer Society Cancer Action Network (ACS CAN). She also serves on the board of AMEND USA, which is the Association for Multiple Endocrine Neoplasia Disorders. Becky is also active with LiveStrong, and is a Masskickers™ blogger.

She also found therapy for her anger and depression by running. And running, and running and running. It started with a 1/2 mile, then a 5k, ten three marathons, and even a 39.3 mile challenge.

In addition to the staff at Moffit at Tampa, Becky praised the physicians and staff at MS Anderson Cancer Center in Houston. She told stories of compassion and courage. Of sadness and humor. She spoke of the support of her boyfriend, her cousin, and especially of her mother.

She reminded us, especially as our own advocates for our health, "you can never be too loud". She also reminded us, "you can never dream to big".

Becky believes that, in her lifetime, we'll find either a cure or more drugs to help maintain stability.

Congratulations Richard on this prestigious award, reflective of your commitment to Rotary, and Service Above Self.

HAPPY BIRTHDAY, DEB MCINTYRE

The typical song sung on a birthday is NOT “Take Me Out to the Ball Game”, but for Deb and her beloved Cubbies, that is what we sang. There, song, sung and sang in one sentence. Happy Birthday Deb.

MUSIC REVIEW

Smile - Sing a Song

Source: Wikipedia - The Free Encyclopedia

The Sunrise has written about this song several times, so rather than bore you with that, the song reminded me of a recent report of the death of someone we all know, but may never have heard of.

William "Bill" Packer died on May 13, 2016 at the age of 89. Packer was an advertising executive, and in 1971 created the Coca-Cola campaign and accompanying song, "I'd Like to Teach the World to Sing (In Perfect Harmony)"

The idea originally came to Backer, who was working for McCann-Erickson — the agency responsible for Coca-Cola. Backer, Roger Cook and Billy Davis were delayed at Shannon Airport in Ireland. After a forced layover with many hot tempers, they noticed their fellow travelers the next morning were talking and joking while drinking Coca-Cola. Backer wrote the line "I'd like to buy the world a Coke" on a napkin and shared it with British hit songwriters Cook and Roger Greenaway. The melody was derived from a jingle by Cook and Greenaway originally called "True Love and Apple Pie". The commercial ended with the statement:

"On a hilltop in Italy, we assembled young people from all over the world to bring you the message from Coca-Cola bottlers all over the world. It's the real thing. Coke."

Call "The Sunrise Editor" a bit sappy, but he really likes this song - both the Coca-Cola versions (they did a Christmas Version as well) and the song created without brand references by The New Seekers and The Hillside Singers. It's simple message of peace, diversity and love are central to the cause of Rotary.

Backer was also responsible for the slogans, "Things go better with Coke", and convinced the world that Miller Lite was "everything you ever wanted in a beer, and less", and should be consumed at "Miller Time".

THE OBJECT OF ROTARY

THE OBJECT of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST – The development of acquaintance as an opportunity for service;

SECOND – High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD – The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH – The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

ROTARIAN CODE OF CONDUCT

The following Code of Conduct has been adopted for the use of Rotarians:

As a Rotarian I will:

Act with integrity and high ethical standards in my personal and professional life

Deal fairly with others and treat them and their occupations with respect

Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world

Avoid behavior that reflects adversely on Rotary or other Rotarians

FOUNDATION SPONSORS

Join fellow members by contributing an additional \$25 to The Rotary Foundation and The Sunrise will publish your business card or tribute for the remainder of the fiscal year. If you want to participate, please give your business card to Norman Lutz, and \$25 to Robert Knox.

ROTARY KNOWLEDGE

THE HISTORY OF POLIO - ROTARY TIMELINE

1979 - Rotary clubs take on a project to buy and help deliver polio vaccine to more than six million children in the Philippines.

1985 - Rotary International launches PolioPlus, the first and largest internationally coordinated private-sector support of a public health initiative, with an initial pledge of US\$120 million.

1988 - Rotary members raise \$247 million for PolioPlus, more than double their fundraising goal of \$120 million. The World Health Assembly passes a resolution to eradicate polio, setting up the launch of the Global Polio Eradication Initiative. More than 125 countries are polio-endemic.

1991- Last case of wild poliovirus in the Americas.

1994 - The Western Hemisphere is declared polio-free.

1995 - Rotary members, health workers and volunteers immunize 165 million children in China and India in a single week. Rotary launches the PolioPlus Partners program, enabling Rotarians in polio-free countries to provide financial support to their fellow Rotarians in polio-affected countries for immunization campaigns and other polio eradication activities.

1996 - The number of nations declared polio-free increases to 150. The reported incidence of polio is 85 percent less than in 1988.

1997 - The last case of wild polio occurs in the Western Pacific Region. She is a 15-month-old girl called Mum Chanty living near Phnom Penh, Cambodia.

2000 - A record 550 million children – almost one-tenth of the world's population – receive the oral polio vaccine. The Western Pacific region, spanning from Australia to China, is declared polio-free.

2003- The Rotary Foundation raises \$119 million from its membership in a 12-month campaign. Rotary's total contribution to polio eradication exceeds \$500 million. Six countries remain polio-endemic – Afghanistan, Egypt, India, Niger, Nigeria, Pakistan.

2004 - In Africa, synchronized National Immunization Days in 23 countries target 80 million children, the largest coordinated polio immunization effort on the continent.

2006 - The number of polio-endemic countries drops to four (Afghanistan, India, Nigeria, Pakistan), the lowest in human history at the time.

2009 - Rotary's overall contribution to the eradication effort nears \$800 million. In January the Bill & Melinda Gates Foundation pledges \$355 million and issues Rotary a challenge grant of \$200 million which becomes known as Rotary's \$200 Million Challenge. This announcement will result in a combined \$555 million in support of the Global Polio Eradication Initiative.

2011 - Rotary welcomes celebrities and other major public figures into a new public awareness campaign and ambassador program called "This Close" to ending polio. Program ambassadors include Nobel Peace Prize Laureate Desmond Tutu, violinist Itzhak Perlman, golfer Jack Nicklaus, Microsoft Chairman Bill Gates, actor Jackie Chan, Grammy Award-winning singers Angelique Kidjo and Ziggy Marley, and environmentalist Dr. Jane Goodall. Rotary's funding for polio eradication exceeds \$1 billion.

2012 - India surpasses an entire year without a recorded case of polio, and is taken off the polio endemic list. Only three countries remain polio endemic. Rotary surpasses its \$200 Million Challenge fundraising goal more than five months earlier than planned.

2014 - India is certified polio-free, after going three full years without a new case of wild polio.

2015 - Nigeria is removed from the list of polio-endemic countries. Afghanistan and Pakistan are the only two remaining endemic countries in the world.
